CIVIL ACTION NO. 3:09-cv-393

**Motion for Non-Jury Trial**

Defendant, Mark Bochra respectfully submit the following motion and requests from the Honorable Court for possible modifying the Jury Trial to a Non Jury Trial for the following reasons:

1. Defendant, Mark Bochra is being diagnosed with medication related to anxiety, depression, and other serious health issues (A copy of the defendant's medical situation was mailed in a sealed envelope on November 13, 2009 from uic consoling center, in addition, to a different sealed medical record that was mailed on September 24, 2009). By having a Jury trial, will expose the defendant to further anxiety and depression and may worsen his health condition, especially when the Defendant is proceeding as a pro se in the following lawsuit.
2. Furthermore, by having a Jury trial, Defendant Mark Bochra will not be able to represent himself accurately with the evidence he obtained due to the burden process of the Jury trial and due to his medical conditions, limited finances, and limited understanding to a Jury Trial procedure which plays a huge disadvantage role to the defendant in the following legal matter. Defendant Mark Bochra in all good manners is wishing to show the evidence he obtained to the honorable court in order for the court to make its rightful decisions between the wrongdoer and the non wrongdoer in the proceeding legal matter without exposing the Defendant to further anxiety or burden which will distract the Defendant from representing himself accurately if Jury trial continues to be permitted. Moreover, in order to minimize the court's effort and time in the following trial, Defendant prays that his motion for Non Jury trial be considered.

WHEREFORE, PREMISES CONSIDERD, for these reasons, Defendant prays that this motion be considered

Respectfully Submitted,

*Mark M Bochra*
